

JACKSON-TRIGGS

OKANAGAN ESTATE

SunRock Vineyard Tour and Gourmet Picnic

Dine amidst the stunning and sundrenched **SunRock Vineyard**. We proudly serve awarded wines from Jackson-Triggs Okanagan to perfectly complement a 3 course gourmet picnic lunch (utilizing locally sourced ingredients reflective of the season.)

Your journey begins in Oliver at Jackson-Triggs Estate Winery where you'll meet your guide who will transport to our remote setting overlooking Osoyoos Lake with sweeping vineyard vistas. Venture into the vineyard and experience firsthand what life is like in this rugged terrain. **Vineyard Manager, Troy Osborne** shares how this unique terroir, coupled with responsible and innovative vineyard practices, create some of the most luscious wines the valley has to offer. Our winemaker **Derek Kontkanen or Brooke Blair** will then present a wine flight of our highly prized and sought after wines including the super-premium SunRock wines. The afternoon's culminates at the "Gazebo" an oasis in the heart of this 35 acre lush vineyard contrasted with sandy desert for an alfresco gourmet lunch.

It's Wine Country Casual at its finest for the true wine enthusiast!
